THIS PORTION IS FOR THE PLAYER TO TURN IN

You MUST turn this portion of the Sponsor Receipt in with sponsor payment to Missy. This is how she knows which sponsors have paid and how much they have paid. It also is used to send out thank you cards to Business Sponsors after the event...so please make sure there is an address listed as well. If you will just be writing a personal check (no sponsor), we still need this for record keeping purposes. Personal contributions/payments to not receive the business sponsor level benefits.

Return with check to SUMMER SIZZLER REP.
